WOLFPACK REPORTING SYSTEM for Advanced Users

Presenters: Ron Reed

Peggy Watkins

FUTURE ENHANCEMENTS

- Allow drill down capability for Purchase Order (Pcard) transactions.
- Add a Project ID dropdown box in Step 2 for all customers. *Principal Investigators currently have a Project ID dropdown box.*
- Add a preference item to control the display of Project IDs in the dropdown box based on Project Status (Active, Pending, Inactive).
- New Federal Fiscal Year-to-Date Report will replace existing Report 2 (Project-to-Date Financial Status).
- Allow customers to drill into HR data from Journal page for Payroll accounts (special security will apply).
- Allow customers to click on Journal ID or Journal Line Ref and provide a new page with details about the document ID.
- New Report 15 – Chartfield Specific Balance by Project

SUGGESTIONS

QUESTIONS

- Review the Frequently Asked Questions using the link at the bottom of the Main Menu.
- Contact the NC State Help Desk at (919) 515-4357.
- Email questions or suggestions regarding the Wolfpack Reporting System using the link at the bottom of the Main Menu.

THANK YOU

Thank you for coming to the 2008 OIT Expo and for attending the Wolfpack Reporting System breakout session this morning. We hope you are excited about the future enhancements and that they will make your Financial Reporting tasks easier and more efficient.

Making a GREAT system BETTER....

Enjoy the rest of the Expo!
